SHAKER, ENTHUSIASM, FIRE, PHALDIC
ENERGY, LUST, ACTION**

QUEEN OF WANDS

Queen of Wands indicates that you will be optimistic, outgoing and full of energy. You will be accomplishing many tasks and keeping a lot of balls in the air when she appears in your Tarot spread. People will be tired just looking at you because you are always on the go! This card represents taking charge of things and organizing your life. A card of being efficient and helping others. It can also represent being chaotic and forgetful as the amount of things you have taken on might take their toll after a while.

Queen of Wands reversed can indicate that you may be feeling pessimistic, temperamental or overwhelmed. You may have taken on far too many tasks and are trying to keep too many balls in the air when she appears in your Tarot spread. You may be exhausted and heading for burn out when she appears! On the flip side, it can indicate that you are being overbearing or sticking your nose where it doesn't belong when it appears. If you can offer support to people in need, then do. However, remember, if you interfere in someone else's business they may not thank you! This card can also represent not taking charge of things and being disorganised or extremely chaotic. When reversed, it is a Minor Arcana card of being inefficient or hindering others.

"Be Bossed Up!!"

**CREATIVE, PASSION, POWER,
COURAGE, FIRE, FEMININE POWER**

KING OF WANDS

King of Wands indicates that you will have the energy, experience and enthusiasm to accomplish what you set out to achieve at this time. You are taking control of your life. You will motivate those around you, lead the way forward and set a good example for those who look up to you. You do not worry about other people's opinion of you and you dare to be different when this Minor Arcana card appears in your Tarot reading.

King of Wands reversed can indicate that you lack the energy, experience or enthusiasm to accomplish what you set out to achieve at this time. You are taking a back seat and are not being proactive in your life. You may feel that you are not up to the task or are giving away your power and setting a bad example for those who look up to you. You may be worrying about other people's opinion of you and you may be afraid to be different or step outside of your comfort zone when this Minor Arcana card appears reversed in your Tarot reading. On the flipside, you may be trying to control everyone and everything around you with bullying tactics, aggression or brute force.
